

STEP 1: ARE YOU PACKING ANY OF THESE PRODUCTS? IF YES, THIS PACKING INSTRUCTION APPLIES.

STEP 2: VERIFY NO MORE THAN ONE BATTERY IN POWER EQUIPMENT AND TWO SPARE BATTERIES ARE INCLUDED IN ANY SINGLE PACKAGE WHERE YOU ARE PACKING A LITHIUM ION BATTERY WITH A RECHARGEABLE DEVICE.

BY LAW - YOU MAY NOT PACKAGE MORE THAN ONE RECHARGEABLE TOOL/DEVICE WITH A BATTERY PLUS TWO SPARE BATTERIES PER PACKAGE FOR ANY LITHIUM ION BATTERY POWERED EQUIPMENT/DEVICE FOLLOWING STEPS 1-3 BELOW.

CONTAINER & PACKAGING REQUIREMENTS FOR REGULATED SHIPMENTS

- 1 Use strong outer packaging appropriate for weight of contents (i.e. box must be rated for the maximum weight being placed in the box). If you cannot tell the weight rating of the box, please ask your supervisor and/or contact Lennox Environmental at liihazmat@lennoxintl.com or +1-972-497-7532.
- 2 Apply the UN3481 marking shown to the each container (e.g. box or other outer packaging). Be sure to include a contact number on the marking where people with questions can call about the shipment.
- 3 Apply the marking shown to the each container (e.g. box or other outer packaging)

LITHIUM BATTERIES - FORBIDDEN FOR TRANSPORT ABOARD AIRCRAFT AND VESSEL

REMEMBER - NO MORE THAN TWO (2) SPARE BATTERIES MAY LEGALLY BE PACKED WITH THE EQUIPMENT/DEVICE/BATTERY COMBO IN ANY ONE PACKAGE. FOR EXAMPLE: A DRILL THAT INCLUDES A BATTERY MAY BE PACKED WITH NO MORE THAN TWO ADDITIONAL SPARE BATTERIES.

IF YOU ARE PACKING MORE THAN THE ABOVE TOOL AND SPARE BATTERY LIMITS IN A PACKAGE, YOU MUST FOLLOW STEPS 4-9 INSTEAD IN ORDER TO PACKAGE FOR SHIPMENT CORRECTLY.

- 4 Use a UN Certified Box as shown. 4G/Y25/S/20#USA/+C02384.
- 5 Apply Class 9 lithium ion battery label.
- 6 Add a cargo aircraft only marking to the box.
- 7 Add proper shipping name to box. UN3481, LITHIUM ION BATTERIES PACKED WITH EQUIPMENT.
- 8 Address label is mandatory. Listing the quantity of batteries in container on exterior is optional.
- 9 Add an overpack marking if the battery or battery cell is contained in another box or on a pallet underneath shrink-wrap AND place markings listed in No. 6, 7, 8 and 9 above also on the outer box or shrink wrap.
